2026 Required Theme: SUSTAINABILITY ♻

Get creative and give everyday materials a second life! We encourage participants to decorate their trees using recycled, repurposed, reusable, or natural materials. Sustainability doesn't mean you have to spend money buying eco-friendly decorations

Need some inspiration? Here are a few ideas:

- Recycled Christmas: Ornaments made from bottle caps, aluminum cans, cardboard, or plastic bottles.
- Nature's Christmas: Decorations made from pinecones, twigs, dried citrus, or other natural materials.
- Old-Fashioned Christmas: Handmade ornaments using fabric scraps, old buttons, or repurposed household items.
- Trash to Treasure: Turn everyday discarded items into beautiful Christmas decorations.
- A Very Goliad Christmas: Use reclaimed or repurposed materials to celebrate our town's history, heritage, and community.
