

2ND ANNUAL CHRISTMAS TREE CEREMONY

PRESENTED BY CITY OF GOLIAD MAIN STREET

Goliad Main Street is adding a special attraction to this year's Christmas in Goliad. We are going to have a Christmas Tree Lighting Ceremony to put the whole community in the Holiday Spirit. Last year with the help of your students we were able to giveaway 15 fully decorated Christmas Trees to family's in need. We had an overwhelming response from the community and visitors and hope to expand our Christmas Tree Tent this year.

The Christmas Trees will be on display for 2 weeks again starting on November 30th, the kick off the Christmas in Goliad event. This year we will have the trees set up in the tent for the School and Organizations to come and decorate, the tent will be located on the courthouse lawn. They will be up a week in advance, so your classroom has enough time to come and decorate.

This will be an amazing event that brings the community together and allows us to bring the Christmas Spirit straight into the homes of the residents of Goliad. Goliad Main Street will be presenting each grade and organization with a 6.5ft Artificial Christmas Tree. You will be responsible for fully decorating the Christmas Trees.
